Rules

Competition will take place under the Racing Rules of Sailing, except where amended:

1. Here in the Notice of Race.
2. In the Sailing Instructions.
3. At the Team15 inter-club briefing.

Classes

Racing will take place in the following four classes:

- Open 3.5m
- Open 4.5m
- Open 5.8m
- Techno 6.8m

Each class refers to the **maximum** sail size which can be used. Smaller sails can be used, especially in windy conditions.

Only the Bic Techno OD board can be used in the Techno 6.8m class.

Any board & rig can be used in the Open 3.5m, Open 4.5m and Open 5.8m classes, although sailors are encouraged to use a Techno.

It is recommended that boards should have a daggerboard or central fin whilst board length should measure 320cm or less in the smaller sail size classes.

In the Open 3.5m class, small diameter masts & booms should ideally be used with junior sails.

Trophies

Trophies will be awarded to the top three places in each class.

A Techno Award will be presented to the first Techno sailor outside of the top three in the Open 3.5m, Open 4.5m and Open 5.8m classes.

Up to three Merit Awards may be presented at each event.

Age

If a competitor is 15 or under, he/she can enter a T15 inter-club event; that competitor is eligible to compete in all T15 inter-club events for the remainder of that season.

Entry

You may enter the T15 inter-club racing by being a member of your club's team and adhering to the terms and conditions below; maximum team size is 15.

Where a T15 club has more than 15 sailors wishing to enter, they can do so as an independent entry to gain competition experience and compete for individual class trophies. They cannot represent the club team or be part of another team; their ranking will not count towards any team score.

Individuals who do not have a local T15 club may enter the competition as an independent entry to gain competition experience and compete for individual class trophies. A place cannot be taken in another club's team or count towards the team score.
